# Fiberglass Pools

*latham*

Your Space.  
Your Style.

Your  
Escape.

Latham transforms your outdoor space into something extraordinary using modern choices for beauty, ease and enjoyment. Our pools are designed for comfort and connection with elegant features, smooth low-maintenance finishes, and exclusive technology built to last. Whether you're hosting a lively gathering or enjoying a quiet moment under the stars, your personal escape starts here.

# Where Your Private Oasis Awaits

Step outside and into a world that's entirely your own. Whether you're easing into the day with a sunrise swim or basking in the twilight, Latham Fiberglass Pools transform your backyard into a personal retreat fit for rest and rejuvenation. With features like integrated spas and built-in seating, every detail invites calm, comfort, and connection—no travel required.

# Where Memories Are Made

From first swim lessons to spontaneous splash battles, your pool is the backdrop to lasting family memories. Thoughtful design touches like ledges and wading areas offer safety and confidence for little ones, while expansive spaces invite kids (and grown-ups) to jump in and play. Quality time is effortless—and right outside your door.

Ariel 16  
Sapphire Blue

# Where Good Times Come Together

With graceful lines, inviting water features, and vibrant finishes, your Latham Fiberglass Pool becomes the center of every celebration. Share a meal poolside, make a splash with friends, or watch the kids embrace the joy of sun-soaked play—this is where your backyard becomes the place everyone wants to be.

## WHY FIBERGLASS

# Discover Our Expert Craftsmanship

**Quick, effortless installation:** Escape to your backyard sooner. With fiberglass, your dream pool becomes a reality in just 3-6 weeks—versus 3-6 months for concrete pools.

**Carefree maintenance:** Fiberglass pools stay stunning with minimal effort. Our crystite gel coating resists algae growth, reduces maintenance costs, and keeps your pool sparkling.

**Peace of mind:** Save time and money in the long run. Fiberglass pools are not only the strongest in the industry, but also easier and less costly to repair—and they come with a limited lifetime warranty.

**Smooth to the touch:** The non-abrasive crystite gel coat surface of fiberglass feels silky to the skin for a gentle experience every time.

**Perfect for saltwater lovers:** Made from the same material as luxury yachts and boats, fiberglass pools are built to handle saltwater systems for a more harmonious and enduring swimming experience.

## LATHAM'S ADVANCED COMPOSITE TECHNOLOGY

- 1 Crystite Gel Coat
- 2 Vinyl Ester Resin
- 3 BiMax Radius Reinforcement
- 4 Carbon-Infused Technology
- 5 Aramid Fibers
- 6 Woven Roving and Marine-Grade Resin
- 7 Closed Reinforced Beam Construction

# Additional Features

## LED Lighting

From soft evening glow to vibrant nighttime energy, customizable LED lighting offers full control over brightness and color, so your pool becomes a dynamic space that reflects the moment.

## Cascades and Bubblers

Introduce movement, sound, and serenity with engaging water features. Cascading waterfalls and playful bubblers bring a spa-like feel and a touch of wonder to your pool environment.

## Safety Ledges

Discreetly built into pool walls, safety ledges offer extra peace of mind. They provide a comfortable foothold for new swimmers and a welcome pause point for everyone.

## Textured Steps/Seats

Delivering both comfort and confidence, non-slip surfaces make entering, exiting, and relaxing in the pool feel effortless for swimmers of all ages.

Acting like a passive solar heater, a Coverstar Automatic Safety Pool Cover cuts costs and conserves energy.

*Up to 50% reduction in electricity costs*

*Up to 60% reduction in chemical usage*

### Convenience:

Easy to operate with a simple press of a button, plus text or email alerts when the cover is in use.

### Design:

Ten vibrant color options to complement any pool type and backyard aesthetic.

## Secure Your Investment **All Year Round**

### Manual Solid

Designed for off-season protection, the Manual Solid Safety Cover offers a secure, low-maintenance solution. It blocks 100% of sunlight, reduces debris, and leads to less cleaning after the colder months.

### Manual Mesh

The Manual Mesh Safety Cover provides excellent debris protection with its fine mesh construction, offering long-lasting durability and reliable seasonal coverage with lower up-front costs.

# Safety Information

At Latham, your safety—and the safety of those you love—is our top priority. To ensure a secure and enjoyable pool experience, please keep the following guidelines in mind:

- Always supervise children, guests, and inexperienced swimmers when the pool is in use.
- Maintain your pool regularly and never use it if any component is damaged or missing.
- Install and maintain appropriate barriers such as fencing with self-latching gates and safety covers to prevent unsupervised access.
- Use safety features including safety ropes, approved drain covers, no-diving signs, and adequate lighting for nighttime swimming.
- Follow all manufacturer instructions, local codes, and regulations for installation and safety equipment use.
- Read and keep accessible all pool safety materials provided with your pool, including safety handbooks and warning signs.
- Consider enrolling in CPR and pool safety programs offered by local organizations such as the American Red Cross.

Visit our website for comprehensive safety guidelines to help protect your pool and everyone who enjoys it.

NOTICE: The manufacturer stands behind every product they produce pursuant to those representations which are stated in the written warranties. Your dealer/builder/contractor is an independent businessperson and not an agent or employee of the manufacturer. The manufacturer cannot and does not accept any responsibility for any representations, statements or contracts made by any dealer/ builder/contractor.

The specifications in this brochure were believed to be true at the time of printing. However, specifications, standard equipment and options are subject to change without notice.

The manufacturer does not manufacture slides, diving boards, or any other diving equipment. Any use of such equipment must be in strict compliance with the equipment manufacturer's specifications, Pool and Hot Tub Alliance (PHTA) Standards, as well as local building codes and regulations.

In some pictures, the safety line rope and floats, and safety signage have been removed from the pool for photographic purposes. The safety line should be permanently attached at all times. We also urge you to use handrails and grab rails in accordance with the PHTA Standards.
